Dear <<Forenames>>

Leisure Boat Users - Mooring Charges Petition

As you will have already experienced the mooring fees for leisure boat owners have gone up by between 20 and 30% this Spring, and there are further increases expected during 2025 and 2026. The Guernsey Boat Owners Association and the Marina Trustee Association have put together a petition - a copy of which is at the club, by the visitors book.

The GBOA and MTA are suspecting lots of our members will want to support them and sign the petition to express their dissatisfaction with the facilities, and the charges of Guernsey Harbours. I understand that other copies of the petition can be found at SYC, Boatworks, Marina & Overdale, All Marine, Herm Seaways, and Sure Ports.

Website

The single eyes emerged as will have already spotted that our facebook pages have dramatically improved across recent months! Now it is the turn of our website to have a fresh look. Our new site has just gone live, but is very much a work in progress, and the website is being gradually enhanced over the next few weeks. Once fully up and running we would welcome your feedback and any suggestions.

Autumn programme

Equally we are working hard on our programme of events for the Autumn. Let us have any bright ideas for themes/events that you would like to see us host. Pop in and have a drink – lets chat… Always good to meet up face to face with boating friends.

Happy Summer Boating!

Dielette Rally & Race

2024 Race Programme

Nashcopy Round Herm & Sark | Saturday 29th June

It was a beautiful summers afternoon when a select fleet of 7 yachts set off for the Nashcopy Sark and Herm race. The start was shortened from the Castle start line by our Race Officer Stuart Rees and assisted by Derek Knowles.

Jodifer had a terrific line position and filled her kite with perfect timing on the downwind start line and managed to swiftly escape the mates behind her as Cloudnine went to Sark of which they left centimeter times Jodifer won overall, with Fandango second and Sun of a Gun third. Ozzy Zaps won Class 2.

Clive le Tissier presented the prizes at the Club gathering in the early evening

Members Corner

As the season starts don't forget about our annual "Logs & blogs" competition !

This is open to all club members to display their logs & blogs, for current or past cruises.

Please email Ruth (ruth@rciyc.com) if you have a log, or a blog you would like to share, as we would love to share your adventures in our newsletters & on our website!

The Merrill Lyle Cruising Trophy was presented to the Club on 20 February 1997 by Malcolm Robson, and the Trophy is awarded for the best entry and is presented at the Annual Dinner & Dance.

There is only one rule: the cruise must be under the RCIYC burgee. The boat (motor or sail) does not need to be owned by the entrant and can be chartered or flotilla.
